

Sign Solutions That Deliver Value

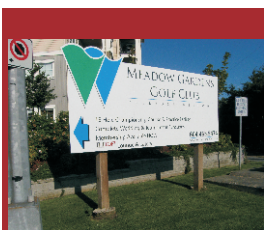

Store-front Signs

Dimension and colour makes an impact!

- be the brightest with backlit signage
- stand out with 3-D lettering
- metal, wood and plastic options
- welcome customers with awning graphics

Development Signs

Make your sign your lifestyle signature

- advertise to community effectively with our large format signs
- be seen by thousands with billboards
- durable plastic, plywood and metal options

Trade Show Displays

Make your displays instant show stoppers

- utilize full booth space with backdrop displays
- make a statement with banner stands

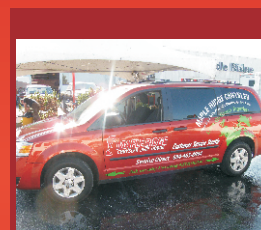

Banners

Best used for special events & advertising

- be prepared to advertise anywhere with banners
- durable indoors and outdoors
- vinyl and paper options

Vehicle Decals

Lowest cost at getting your message out 24/7

- create moving billboards with vehicle and fleet graphics
- custom-fit graphics to all vehicle types
- cars, trucks, boats, snowmobiles, etc.
- vinyl wraps, decals and much more

Sandwich Boards

Increase walk-ins with a well placed A-frame

- made of PVC plastic or wood
- ideal for sidewalk or roadside signage
- light and easily transportable

Speedpro is the largest sign franchise in Canada and the industry leader since 1991.

Our focus is on effective communication with our customers, innovation, quality products and quick turn-around time.

The Speedpro Advantage

Our consultants are experts in front-line advertising and are at the forefront of industry advancements.

Our design team will make your signs "pop".

Our cross-Canada franchise network means one national sign source for your company.
